### Footnotes

- (1) Applies when a bid placed at least 72 hours before the auction's end time results in a winning bid without any further bidding.
- (2) The higher of the Buyer's Fee calculated at their respective rates (discounted for the Early Bid Discount if applicable) or the Floor Fee.
- (3) The Fulfillment Fee shall apply if the items is shipped before 20 days from the complete of Auction payment.
- (4) Calculated as a percentage of the final bid amount, including the Buyer's Premium.
- (5) Charged to the Seller.
- (6) If a lot listed with a starting price does not sell, a listing fee will apply based on that starting price.
- (7) Charged per LOT to both the Buyer and Lister.
- (8) Seller will be charged the greater of 8.00% of the sale or ¥330.
- (9) Applies on items that were originally submitted into the Vault but are shipped without ever being listed for auction.
- (10) The higher of the amount calculated by applying the stated rate to the declared value or the Floor Fee.
- (11) The one transferring out of the item will be charged the greater of 2.20% of the transaction amount or ¥330.
- (12) The Consignment Grading Fee is calculated by applying the stated rate to PSA JAPAN's grading fee.
- (13) Paying with account balances earns 1.00% in Points on the amount used.
- (14) Users are responsible for any remittance fees charged by our bank.
- (15) Registered mail is also available as a shipping option.
- (16) Counts on slabs of grading companies other than PSA are adjusted so that they are represented PSA equivalent specs. The actual slab count may differ as a result.
- (17) The amount calculated by applying the stated rate to the grading fee.
- (18) The amount calculated by applying the stated rate to the advanced payment.
